

## Course Outline for PE2194 — Varsity Golf II

---

Credits: 1 (0/1/0)

Description: This course is for student athletes who are in their second year of varsity golf eligibility. Student athletes will be provided with an enhanced experience that comes with being a second-season participant. The student athlete may have expanded leadership and mentoring roles.

Prerequisites: The participants of this class must be approved by the head golf coach.

Corequisites: (None)

Competencies:

1. Develop expanded leadership skills associated with being a second-year golf athlete.
2. Acquire a working knowledge of transfer rules and regulations that are associated with the National Junior College Athletic Association (NJCAA) and the National Collegiate Athletic Association (NCAA).
3. Create an environment that enhances the success of the golf team and the individual student athletes through leadership and mentoring.

Goal Areas: (None)
