Helping You Succeed

Minnesota State Community and Technical College strives for a collegewide culture and climate that support our commitment to providing equal access to education for all students.

Academic and Transfer Advising
Academic advising and transfer resources are available through Student Development Services on each of our campuses. Staff are available to assist in developing your M State academic plan and planning your transfer from M State to your next college or university.

Career Services
Career Services are available to students on all M State campuses and online. We are committed to equipping you with the skills and materials necessary to conduct a job or internship search. Services include:
- Workshops and individual assistance with resumes, cover letters and interview skills
- Strategies for finding employment and internships
- Connections to employers through on-campus events
- 24/7 access to the college's online job posting and resource site (careers.minnesota.edu)

College Social Workers
College social workers assist in navigating community and college resources to help you overcome non-academic barriers through on-going and confidential services.
- Transportation
- Housing
- Finances
- Legal
- Health and wellness
- Safety
- Food and nutritional needs

College social workers provide on-going and confidential services throughout your enrollment at M State.

Counseling
M State counselors provide confidential assistance with career guidance, career selection, personal and life-career planning resources, short-term individual counseling and referrals.

Disability Services
Our Disability Services staff members work in partnership with faculty, staff and students to remove disability-related barriers to education through reasonable accommodations for qualified students.

This includes providing outstanding facilities that are designed to meet the educational needs of students with physical, visual, hearing, learning or other disabilities to ensure accessibility to college programs and facilities.

If you have or believe you may have a disability, our Disability Services staff can help you determine your eligibility and assist with submitting accommodation requests.

English Language Learners (ELL)
All M State campuses provide support services to assist ELL students in achieving their goals, including bilingual software, dictionaries and workshops. The Moorhead campus offers courses in the areas of writing, reading, grammar and listening/speaking.

Tutoring
Tutoring services, offered in the campus Spartan Centers and online, are:
- Offered individually, online and in small groups
- Available on a drop-in basis or by appointment
- Provided by peers in a variety of subjects
- Available through Adult Basic Education on the Detroit Lakes and Wadena campuses
- Available online through Smarthinking
