Electrical Line Workers Organization
Promotes professional growth among electrical line worker students

Wadena
National College Powerline Rodeo
MREA Hot Line School – Industry organized and supported simulated training event for line workers and other operations personnel in the field. Provides opportunities to perform simulated hot line work and gain valuable experience at job planning, installing and removing rubber cover up materials, working in gloves and sleeves, refreshing the understanding of critical safety-related work practices and sharpening technical skills. This is not a competition, but is a valuable learning experience as it allows students to show case their skills to industry partners who are also participating.

2017 National Competition Results
The 2017 National College Powerline Rodeo featured 35 college teams competing in three physical events and a written exam that tests students' industry skills. M State’s Electrical Line Worker Technology program sent four teams with a total of 14 students in 2017.

- 1st in the Hurt Man Team Competition
- 2nd place overall
- 2nd place Individual Hurt Man Rescue Competition
- 2nd place in the Team Written Exam
