Minnesota State Community and Technical College is committed to providing equal access to education for all students, and Disability Services strives to cultivate a collegewide culture and climate that support that commitment.

We work in partnership with faculty, staff and students to remove disability-related barriers to education through reasonable accommodations for qualified students who have documented disabilities under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.
Seeking Disability Services?

After you are accepted to the college, you are required to apply for Disability Services in order to receive accommodations and services. Follow these steps:

1. **Complete Disability Services Application**
   - Found at www.minnesota.edu/forms

2. **Submit documentation**
   - Documentation may be in the form of an IEP, including the Evaluation Report or Individual Written Assessment Report portion. Documentation from your health care professional can be submitted by using the *Request for Documentation* form located at minnesota.edu/forms.

3. **Check your SpartanNet/M State email regularly**
   - The Disability Services staff will communicate with you via email once we’ve received your application. If necessary, we may ask for additional documentation.

4. **Meet and complete**
   - Once you are notified that you’ve been approved for services, you will be asked to set up an appointment with Disability Services staff.
   - An interview will assist in determining appropriate academic accommodations, and Accommodation Request Forms will be completed for sharing with instructors.
   - You will need to complete Accommodation Request Forms each semester as courses and instructors change.

Students are encouraged to complete the steps to request Disability Services well before the term begins to allow enough time to implement approved accommodations. Instructors will support accommodations and hold students to the required academic standards.

**Disability Services Office Locations:**
- Detroit Lakes: E 101
- Moorhead/eCampus: E 112 A
- Fergus Falls: C 344
- Wadena: S 47
