Policy Name: Repeating Courses

Policy
All courses taken at Minnesota State Community and Technical College may be repeated. Both the original and the repeat grade will appear on the student’s transcript. However, the highest grade earned will be used to compute the student’s grade point average; exceptions include choir, music lessons and student athletics.

Financial aid may not cover the cost of repeated courses. The College advises students to check this with the financial aid office. The course subject, prefix, and number must be identical. The course subject, prefix, and number must be identical.

Purpose
To provide an additional opportunity for students to meet course requirements and improve grade point average.
