

# ENTR1301 - Entrepreneurship III: Running and Growing Your Business

Credits:	3 (3/0/0)
Description:	In this course, students who are operating a business or have a solid business model learn how to build a firm foundation for running and growing their business. Students develop a detailed business plan as well as present and pitch a business plan to entrepreneurial professionals. The focus of the course is on the financial, marketing and operational functions within a business needed for sustained growth and success.
