

GDTC2231 - Design Portfolio

Credits:	3 (2/1/0)
Description:	This course focuses on planning, creating and assembling an industry-ready graphic design portfolio. Students will each develop a plan to work toward their individual portfolio goals. Branding oneself for the job search process will be covered, and students will be assigned self-promotional projects for this purpose. Multiple assignments will provide the opportunity for students to practice presenting their portfolios to large and small groups.
Prerequisites:	• GDTC2120 • GDTC2205 • GDTC2212
Corequisites:	
Pre/Corequisites*:	
Competencies:	 Produce a thorough portfolio inventory and evaluation. Prepare a comprehensive portfolio-building plan for the semester. Establish an interview-ready portfolio by creating new work and/or improving on existing work. Develop a brand campaign for oneself in the form of multiple self-promotional projects. Create and maintain an online portfolio of design work. Examine and experiment with methods of digital mock-up and photography. Practice effective verbal and visual portfolio presentation techniques. Complete a group portfolio presentation, providing articulate discussions on each piece. Provide thoughtful analyses of others' work, and apply this critical thinking to defend one's own work.
MnTC goal areas:	None

^{*}Can be taking as a Prerequisite or Corequisite.
