

GDTC2250 - Design Campaigns

Credits:	3 (2/1/0)
Description:	In this course, students will apply branding, advertising and graphic design principles to build integrated campaigns. These campaigns will require students to employ a variety of media, such as print, digital, social media, wearable, out-of-home and some non-traditional applications. Students will learn preparatory research and basic marketing planning to lay the groundwork for their projects.
Prerequisites:	<ul style="list-style-type: none"> • GDTC1124 • GDTC2212
