HPER1100 - Varsity Clay Target Competition

Credits:	1 (0.5/0.5/0)
Description:	This course provides students with the opportunity to develop skills in gun and range safety while participating in organized clay target sports. Emphasis is placed on the hands-on learning of safe shotgun handling, mental focus, and the technical skills required to break clay targets in disciplines such as trap, skeet or sporting clays.
Prerequisites:	
Corequisites:	• Students are required to provide their own firearm and personal protective equipment. • Students must have a valid firearms safety certification prior to participating in competitions. Students can earn their firearm safety certification by taking a firearm safety course offered during the course by the coach.
Pre/Corequisites*:	
Competencies:	1. Demonstrate safe firearm handling and storage per USA Clay Target League standards. 2. Apply technical shooting skills in a competitive environment. 3. Execute virtual competition protocols, including score recording and submission.
MnTC goal areas:	None

**Can be taking as a Prerequisite or Corequisite.*
