

## MKTG2402 - Management and Marketing Seminar

Credits:	3 (3/0/0)
Description:	This seminar provides an avenue for the exploration and investigation of special study topics in management and marketing. As a career enrichment course, it is designed to integrate the coursework taken and contribute to the student's personal and/or professional career goals. Students will develop technology and decision-making skills through simulation. Students will get hands-on learning opportunities through mentorships, guest speakers, podcasts, networking events, conferences, workshops or webinars related to business. Students will work closely with Career Services for job search preparation.
