# NURS2438 - Restorative Nursing I

| | |
|---|---|
| Credits: | 4 (4/0/0) |
| Description: | Restorative Nursing I is designed to prepare students to plan nursing care for diverse patients experiencing disorders of the neurological/sensory, musculoskeletal, endocrine, immunological, hematological and gastrointestinal systems. Emphasis is placed on patient-centered care, nursing judgment/evidence-based care, safety and pharmacology. |
| Prerequisites: | • BIOL2262<br>• BIOL2263<br>• CHEM1100<br>• Current American Heart Association Basic Life Support<br>• Current, clear national background check<br>• Current, clear Minnesota Department of Health criminal background check<br>• Experience as nursing assistant as guided by the generic ADN application packet<br>• NURS1415<br>• NURS1416<br>• NURS1426<br>• Up-to-date immunizations and health form<br>OR<br>• BIOL2260<br>• BIOL2261<br>• BIOL2262<br>• BIOL2263<br>• BIOL2267<br>• BIOL2268<br>• CHEM1100<br>• Current American Heart Association Basic Life Support<br>• Current, clear Minnesota Department of Health criminal background check<br>• Current, clear national background check<br>• ENGL1101<br>• LPN<br>• NURS2410<br>• PSYC2222<br>• Up-to-date immunizations and health form |
