# PWST1002 - Snowmobile, Off Road Vehicle and Motorcycle Maintenance

| | |
|---|---|
| Credits: | 3 (1/2/0) |
| Description: | This course is designed to train the student in proper maintenance techniques for on- and off-road land-based recreational vehicles. Students are encouraged to bring their personal recreational vehicle(s) or use the up-to-date industry products that the college offers or both. Trailer maintenance also will be covered. This is an excellent course for getting equipment ready for an upcoming winter or summer season. |
| Prerequisites: | |
