THTR1125 - Theatre Technical Practicum

Credits:	2 (0/2/0)
Description:	Meets MnTC Goal Area 6. Students participate as a production crew member and/or as a run crew member on a main stage or approved theatrical production in various technical areas, including set construction and props, lighting and sound, make-up and costuming, stage managing, etc. Students do not need prior experience, but skills with tools or an interest in building would be beneficial. Students will complete required lab hours and exhibit essential skills of communication, cooperation, respect and responsibility. Students will arrange their lab hour schedule with the director after they have enrolled in the course. The course may be repeated twice.
Prerequisites:	
Corequisites:	
Pre/Corequisites*:	
Competencies:	1. Display professionalism and respect while working collaboratively. 2. Safely use specific tools in various technical areas. 3. Participate as a production crew member and/or as a run crew member. 4. Apply basic theatre terminology to effectively communicate with production team members. 5. Apply director's feedback to create and improve production projects.
MnTC goal areas:	6. The Humanities and Fine Arts

**Can be taking as a Prerequisite or Corequisite.*
