THTR1130 - Stage Make-up

Credits:	3 (2/1/0)
Description:	Meets MnTC Goal Area 6. Students will explore the fundamental design principles, materials and application techniques of stage make-up. Students will conduct research, plan and design face plots and apply stage make-up. Beginning with make-up fundamentals, students will progress to more advanced projects including aging, special effects, Kabuki, animal and fantasy. Student work will culminate with a final project and a final portfolio.
Prerequisites:	
Corequisites:	
Pre/Corequisites*:	
Competencies:	1. Identify materials and supplies used in theatre stage make-up. 2. Draft and edit face plot designs. 3. Select the most appropriate materials and apply stage make-up based on the face plot designs. 4. Display artistic and technical skills in make-up application. 5. Create a final portfolio to display the research, designs and application of all make-up projects throughout the course.
MnTC goal areas:	6. The Humanities and Fine Arts

**Can be taking as a Prerequisite or Corequisite.*
