

## ECE2105 - Internship

Credits:	3 (0/0/3)
Description:	This course provides an opportunity to apply knowledge and skills in an actual child development setting. Students will observe and assess children's behavior, facilitate free choice play, implement adult-directed learning experiences and maintain professional relationships. This course can be taken only after students have completed the first three semesters of the program or with instructor approval.
Prerequisites:	<ul style="list-style-type: none"><li>• ECE2101</li><li>• ECE2103</li></ul>
Corequisites:
