

GDTC2231 - Design Portfolio

Credits:	3 (2/1/0)
Description:	This course focuses on planning, creating and assembling an industry-ready graphic design portfolio. Students will each develop a plan to work toward their individual portfolio goals. Branding oneself for the job search process will be covered, and students will be assigned self-promotional projects for this purpose. Multiple assignments will provide the opportunity for students to practice presenting their portfolios to large and small groups.
