

# IPP2214 - Intro to Ethics and Decision-Making for Interpreters

Credits:	3 (3/0/0)
Description:	The interpreting profession requires interpreters to respond to a wide range of difficult situations in an ethical manner. This course introduces ethical constructs within the field of interpreting and focuses on ethical dilemmas that require interpreters to use decision-making processes in a variety of settings. Students learn strategies for developing multiple approaches to ethical scenarios along with guiding principles and values of the interpreting field.
