ACCOUNTING TRANSFER PATHWAY
ASSOCIATE OF SCIENCE (AS) – 60 CREDITS

About this program

The Accounting Transfer Pathway offers students a powerful option: the opportunity to complete an Associate of Science degree with course credits that directly transfer to designated accounting bachelor's degree programs at Minnesota State universities. The curriculum has been specifically designed so that students completing this pathway degree and transferring to one of the seven Minnesota State universities enter the university with junior-year status. All courses in the transfer pathway associate degree directly transfer and apply to designated bachelor's degree programs in a related field.

Program outcomes

1. Demonstrate the underlying concepts of sound management, including planning, organization, leading and controlling.
2. Apply the four Ps (product, pricing, place and promotion) of marketing to a corporation's activities.
3. Demonstrate the ability to prepare financial statements.
4. Demonstrate the ability to analyze and interpret financial statements.
5. Demonstrate knowledge of the American legal system and how it relates to the world of business.
6. Demonstrate knowledge of concepts, tools and applications of finance and investment.
7. Demonstrate knowledge of information system theory, software and hardware.

Curriculum overview

Crds	Requirement type

Developmental courses note: A student may be required to enroll in developmental courses in reading, writing and math. A student's scores on the Accuplacer assessment will determine enrollment in developmental courses. The purpose of developmental courses is to prepare students for the demands of a college-level curriculum. *Credits may vary.*
