What is Circle of 6?

Circle of 6, originally designed for college students to prevent sexual violence, is an app that can be downloaded to your mobile phone. Need help getting home? Need an interruption? Circle of 6 lets you choose six trusted friends or family who you can reach out to for assistance quickly and quietly. The app is available for both iPhone and Android.

Download the free Circle of 6 app at
www.circleof6app.com
and build your own circle of safety -
and encourage your friends to do the same.

*M State is providing the information about Circle of 6 as a resource.
M State does not have a contract with Circle of 6 and encourages
all who are considering using Circle of 6 to read the user agreement
provided by Circle of 6.*
