

**MINNESOTA STATE COLLEGES AND
UNIVERSITIES*
ARTICULATION AGREEMENT
BETWEEN**

**Any Minnesota State College
AND
Metropolitan State University**

*The Board of Trustees of the Minnesota State Colleges and Universities is authorized by Minnesota Statutes, Chapter 136F to enter into Agreements and has delegated this authority to colleges and universities.

This Agreement is entered into between **Any Two-Year Minnesota State College** (hereinafter sending institution), and **Metropolitan State University** (hereinafter receiving institution). This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the State of Minnesota.

The sending institution has established **Associate of Applied Science (AAS) programs** (hereinafter sending programs), and the receiving institution has established an **Individualized Studies B.A.** (hereinafter receiving program), and will facilitate credit transfer and provide a smooth transition from one related program to another. It is mutually agreed:

Admission and Graduation Requirements

- A. The receiving institution's admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.
- B. Students must fulfill the graduation requirements at both institutions.
- C. Students must complete the entire sending program and meet the receiving institution's admission requirements for the agreement to apply.

Transfer of Credits

- A. The receiving institution will accept up to **72** from the sending programs to apply to the 120 credit Individualized Studies B.A. At least 48 credits remain to complete the BA degree. A total of at least **40** upper division credits must be completed at the receiving program.
- B. Courses will transfer as described in the attached Program Articulation Table. For system institutions, once the courses are encoded, they will transfer as described in the Transferology Audit.

Implementation and Review

- A. The Chief Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.
- B. This Articulation Agreement is effective on **07/01/2018** and shall remain in effect until the end date of **7/01/2023** or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.
- C. The college and university shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.
- D. This Articulation Agreement will be reviewed by both parties beginning **01/01/2023** (within six months of the end date).
- E. When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.

** The number of "University upper-division credits not counted elsewhere" will vary depending on the actual number of transfer credits; the specific coursework will be determined in Prsp301 Educational Philosophy and Planning.

*** Most of the 48 "Total Remaining University Credits," including the credits needed to complete MnTC, must be upper division since 40 upper-division credits must be completed at Metropolitan State University.
