This Memorandum of Understanding ("MOU") is subscribed to by Minnesota State Community and Technical College ("M State") and Charter Oak State College ("COSC") for the purpose of establishing a credit transfer protocol for students completing the Health Information Technology/Coding AAS Degree Program at M State who desire to transfer into an upper division degree program at Charter Oak State College ("COSC").

Articulation Criteria

1. Any M State Student will be admitted to COSC subject to the following terms and conditions:
 - a. The M State Student must have completed his/her work at M State in good academic, behavioral and financial standing.
 - b. Only courses which were applicable toward a degree program at M State will be accepted by COSC.
 - c. The application and distribution of credits transferred may vary depending on the program of study the M State student chooses to pursue at COSC.
2. The student will be required to complete IDS 101, the Cornerstone Course and HIM 498 HIM Practicum and HIM 499 HIM Capstone at COSC and satisfy any outstanding general education and program requirements.
3. COSC will accept in transfer up to 87 credits from a regionally accredited two year institution. Transcripts from each institution awarding credit will be required for admissions.
4. All determinations that an M State Student has satisfied the prerequisites for admission, and the application of credit to a COSC program of study shall be made in the absolute discretion of COSC.

5. Policies in effect at the time the student matriculates at COSC will govern the student.

Partnership Roles and Responsibilities

1. Each party shall designate an individual to serve as liaison for the purposes of implementing this MOU.
2. Both parties agree to advise each other of changes in its degree programs as they occur, at least biannually.
3. Both parties agree to promote the agreement, and specific programmatic transfer opportunities, to students in mutually agreed upon formats, including providing individual and group advisement and through web-based and collateral materials.
4. COSC and M State agree to exchange student data as necessary to measure success of this agreement.

Marketing and Communication

1. Both COSC and M State may name each other as an institutional partner on their respective websites and in print publications.
2. Each party reserves the right to request and review in advance any information disseminated to the public or students about the articulation agreement.

Term

1. This MOU shall be effective upon execution by both parties and shall continue until terminated by either party. Either party may terminate this MOU at any time without liability or obligation to the other party. However, in the event that this MOU is terminated, COSC commits that M State students who are at any stage of their Degree studies and who have been pre-admitted to COSC shall be entitled to pursue transfer to COSC under the articulation protocols established herein.
