Minnesota State Community and Technical College will offer a “Medication Assistant II/Medication Administration for Unlicensed Personnel” course in Moorhead beginning July 14, 2020.

This course is designed to train personnel in various settings i.e., nursing homes, etc. who will be administering medications in Minnesota or North Dakota.

The 48-hour classroom/lab course meets Minnesota requirements for medication administration. This 48-hour course, plus an additional 32-hour clinical component (following the classroom portion), meets North Dakota requirements as a Medication Assistant II. Students must be sponsored by their employing North Dakota facility to participate in the clinical component.

PREREQUISITE:

North Dakota
- Current Certified Nurse Assistant registry status.

Minnesota
- Current Nursing Assistant registry status.
- Minnesota Department of Health Nursing Home Rules also state unlicensed nursing personnel who administer medications in a Minnesota nursing home must have completed a nursing assistant training program approved by the Minnesota Department of Health. (Proof of completion MUST be included with the registration form.)
