

# WE'RE READY WHEN YOU'RE READY

Workforce Development Solutions trainings can be delivered in person, pre-recorded or virtually, or in a combination that works for you

## VIRTUAL TRAINING

Virtual training can be done via Zoom and other online formats

## HEALTH CARE TRAINING

Hybrid health care training is now available

## CDL TRAINING

Updated CDL training meets new federal requirements

## LEADERSHIP AND OFFICE TRAINING

We have new options for Leadership and Microsoft Office training

## WHY WDS?

- New training offerings will help your business soar
- Our instructors are experts in their fields and offer the flexibility to meet your needs
- In-person training can be conducted at your site or on one of our four campuses

## CONTINUING EDUCATION CREDIT

CEUs are available for qualifying courses

## CNAS, WE'RE HERE FOR YOU!

Nursing assistants are needed now more than ever, and M State is here to help. We are continuing to offer our 77-hour, in-person Certified Nursing Assistant courses including Minnesota Department of Health's COVID-19 guidelines. Our program is thorough and designed to get students on a fast track to a degree or a career in the health care field in only one month.

Are you a CNA who let your certification lapse? We can help with that, too. M State will be offering multiple upcoming nursing assistant test dates. Find upcoming test dates and get registered at [minnesota.edu/health](https://minnesota.edu/health).

## CONTACT US

with your needs, and we'll get to work.
