

SUCCESS REPORT

eCampus in the High School

Fall 2017

MISSION: Minnesota State Community and Technical College specializes in affordable and exceptional education, service, and workforce training. We welcome all students and engage them in shaping their futures and their communities.

VISION: A success story for every student. **VALUES:** Integrity. Inclusion. Innovation.

History of Quality Partnerships

In FY18, M State is partnering with 15 districts in west central rural Minnesota to provide online dual credit courses in the high school classroom, taught by M State faculty. The number of K12 partnerships has continued to grow over the years without compromising the quality or integrity of the program.
