

Home AWAY FROM HOME

Our campus is one of only seven Minnesota State community colleges with on-campus housing! You can enjoy the convenience of on-campus living and the benefits of apartment life.

WILLIAMS HILLSIDE VILLAGE has four buildings, each with four three-bedroom apartments. **COLLEGE MANOR** has 22 four-bedroom apartments. Each apartment has dining and living rooms and is equipped with a kitchen so you can fix your favorite meals at home.

Our housing options also include a meal plan at the on-campus Spartan Café. Learn more about housing on our Fergus Falls campus at minnesota.edu/fergus-falls-housing.
