

# SUCCESS REPORT

## eCampus in the High School

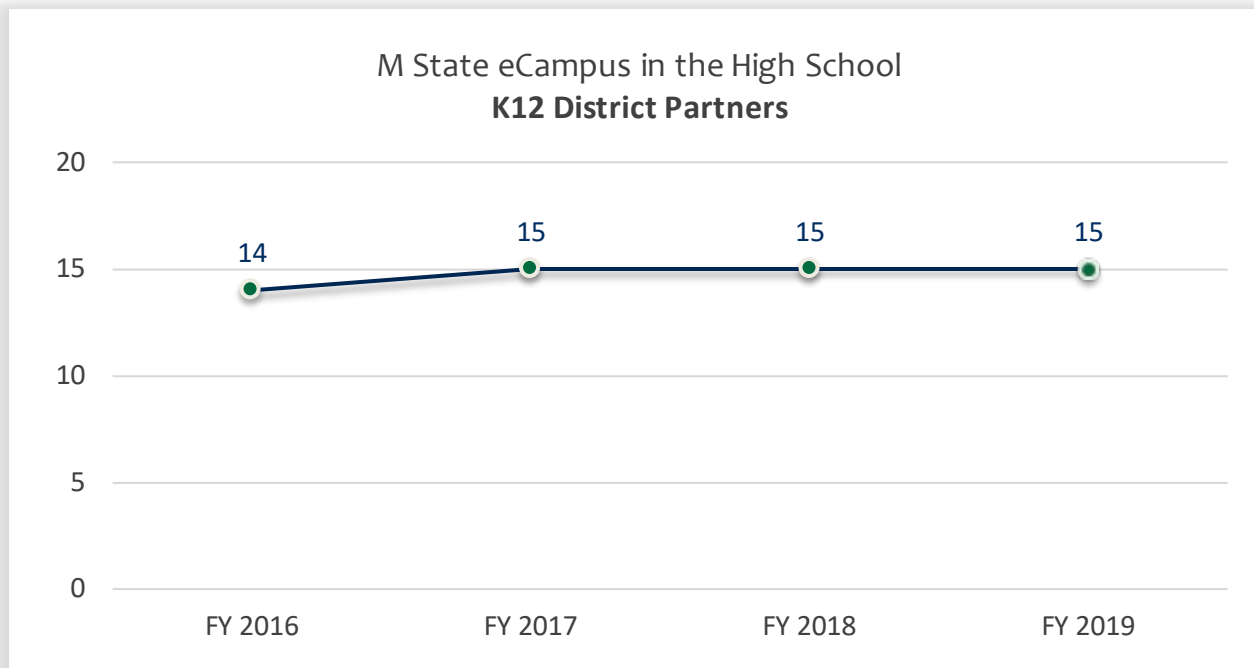

*Spring 2019*

**MISSION:** Minnesota State Community and Technical College specializes in affordable and exceptional education, service, and workforce training. We welcome all students and engage them in shaping their futures and their communities.

**VISION:** A success story for every student. **VALUES:** Integrity. Inclusion. Innovation.

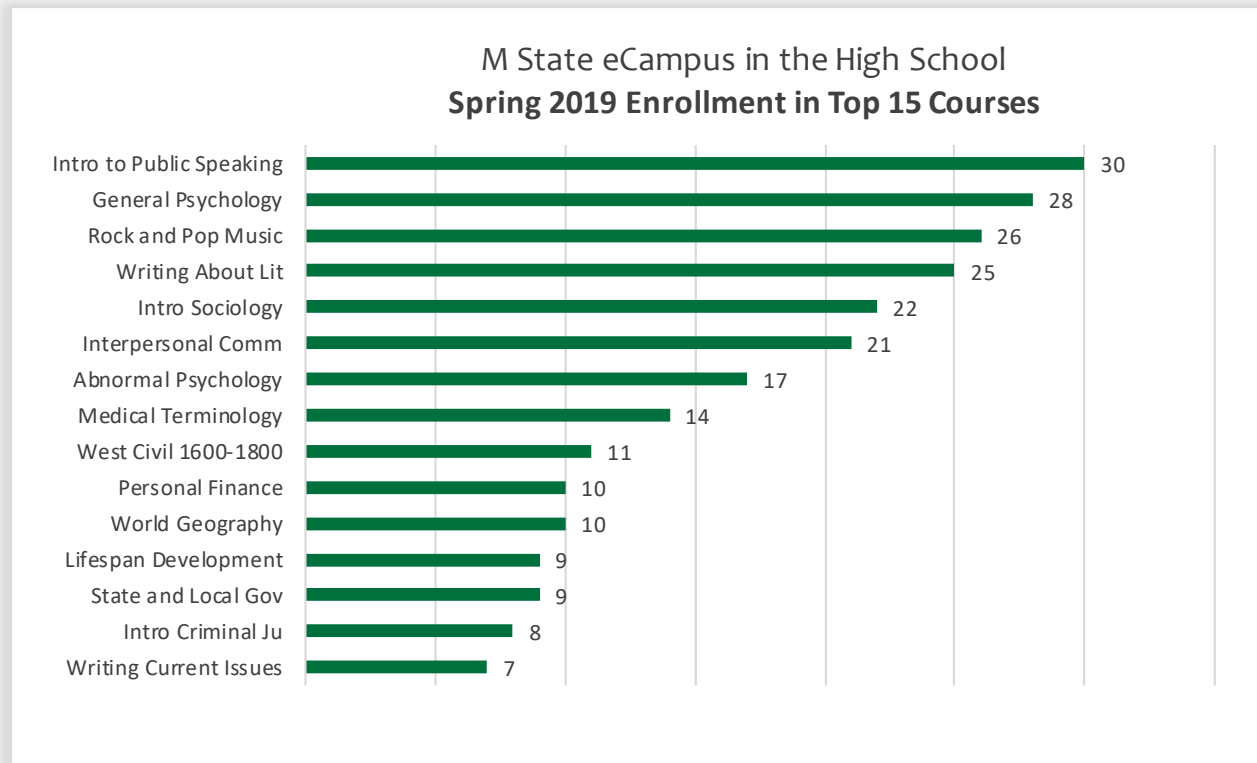

### History of Quality Partnerships

In FY19, M State is partnering with 15 districts in west central rural Minnesota to provide online dual credit courses in the high school classroom, taught by M State faculty. The number of K12 partnerships has continued to grow over the years without compromising the quality or integrity of the program.

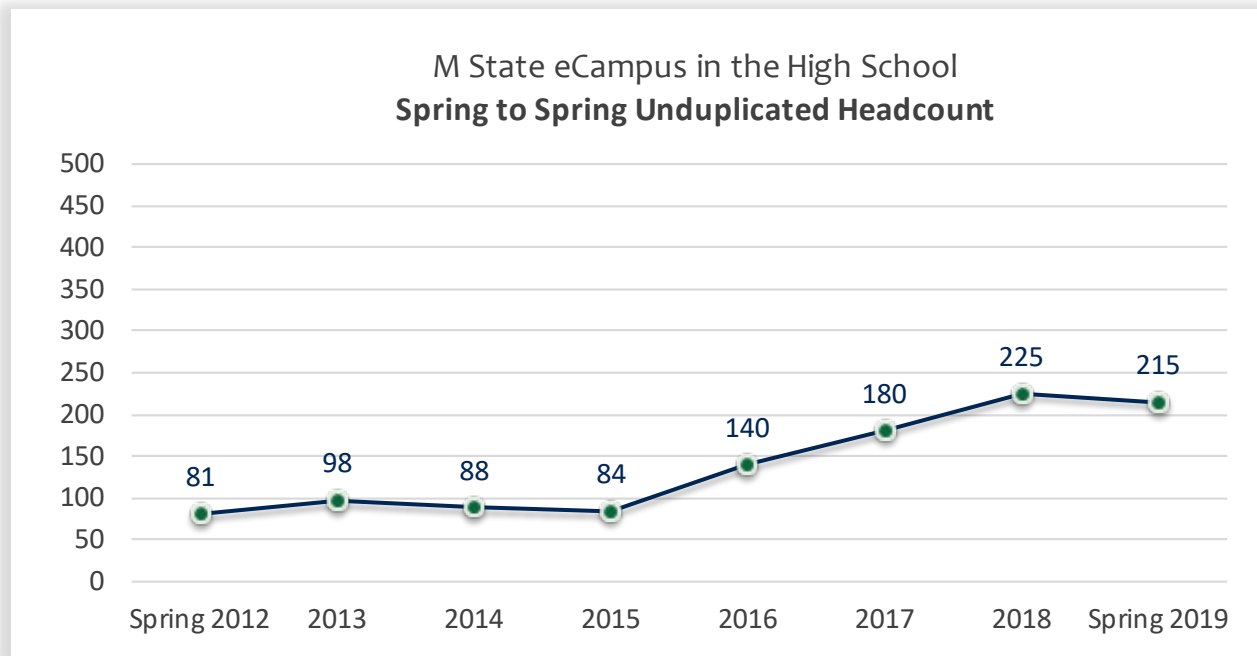

## Enrollment by Course

eCHS courses are chosen to meet various Minnesota Transfer Curriculum goal areas and offer an array of access to various general education and technical course credits.

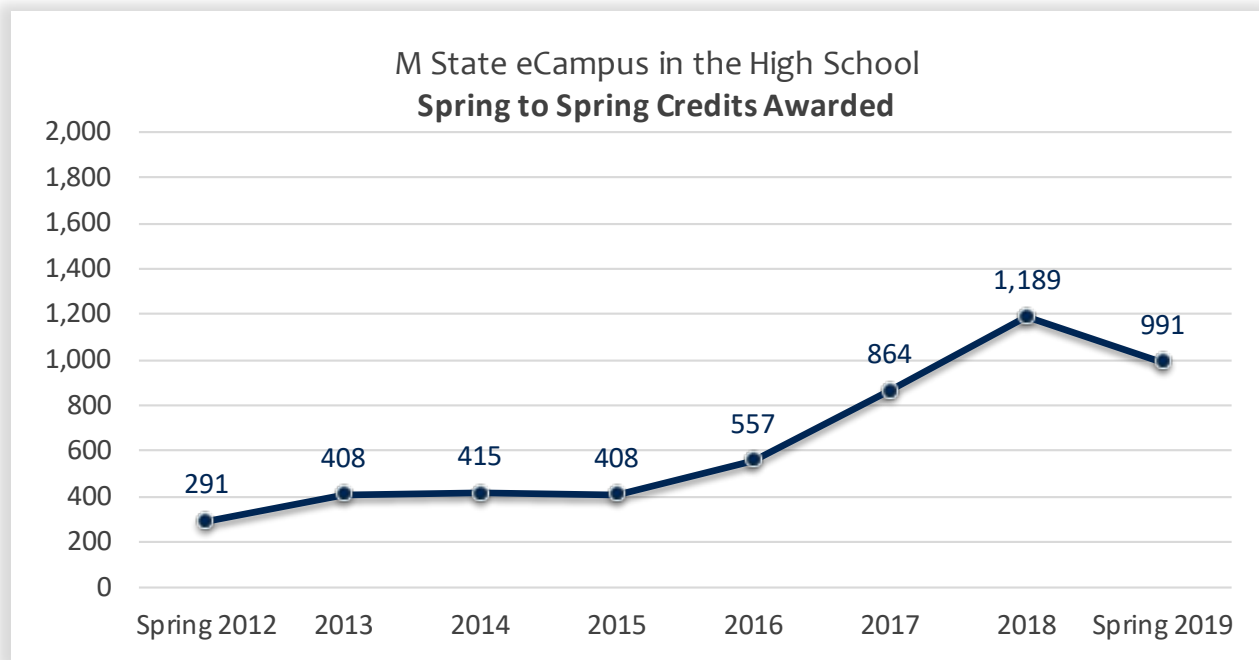

## Spring to Spring Headcount

eCHS served over 200 students spring 2019. The program continues to experienced a healthy growth in enrollment.

## Credits Awarded

The program awarded close to 1,000 credits spring 2019, saving Minnesota high school students and their families over \$164,000 based on M State's in-state tuition rate of \$165.50 per credit.

## Grade Distribution

Spring 2019, 87 percent of eCHS students successfully passed their course with a grade of C or better.
