

Opportunity for Input

Discover • Review • Analyze • Discuss

*M State cannot create an AQIP culture without **YOU!**
YOU make the difference each and every day in the
lives of our students and our stakeholders.
It is time to find your role, your passion, your purpose
and find **YOU** in AQIP.*

CATEGORY FIVE

Leading and Communicating

Category Five addresses how our leadership and communication structures, networks and processes guide M State in setting directions, making decisions, seeking future opportunities, and building and sustaining a learning environment.

FINDING YOU IN THIS CATEGORY IS EASY IF YOU...

- Participate in the Communication Survey, Task force or input sessions
 - Participate in decision making processes or input processes
 - Work on strategic and operational plans
- Help identify the needs and expectations of our communities and external stakeholders
 - Participate in the student services or academic divisional meetings
 - Attend committee or task force meetings
 - Serve on community groups or external committees
 - Participate in the campus forum
 - Use the M State Shout Box
 - Lead or communicate within the organization

CATEGORY SIX
Supporting Institutional Operations

Category Six addresses the support processes that help provide an environment in which learning can thrive.

FINDING YOU IN THIS CATEGORY IS EASY IF YOU...

- Support learners in any way
- Serve a role in support services, information technology, administrative or campus services
- Use data
- Work with external audits and reviews such as financial audits or the Office of Civil Rights review
- Work on the upgrade of the server room
- Work on bookstore updates

CATEGORY SEVEN
Measuring Effectiveness

Category Seven examines how we collect, analyze and use information to manage M State and to drive performance improvement.

FINDING YOU IN THIS CATEGORY IS EASY IF YOU...

- Manage or develop a budget
- Utilize technology or remote access to technology
- Use or distribute data on performance or effectiveness
- Store data
- Use shared folder, employee portal, website or D2L
- Work to secure data or ensure network and technology availability
- Protect data from external vulnerabilities

CATEGORY EIGHT

Planning Continuous Improvement

Category Eight examines the planning processes and how strategies and action plans are helping achieve our mission and vision.

FINDING YOU IN THIS CATEGORY IS EASY IF YOU...
