

MINNESOTA STATE COMMUNITY AND TECHNICAL COLLEGE

Policy Name: Student Life Policy

The College Student Life Advisory Committee shall adhere to established guidelines set forth in Minnesota State Colleges and Universities (MnSCU) Policy 2.8 Student Life. Campus Student Government Association / Student Senate programming is intended to provide for a wide variety and balance of student activities and events that complement the curricular offerings on each campus of the College. The Student Activity Fee for each campus shall fund the Student Government Association / Student Senate on each campus.

Each campus Student Government Association/Student Senate shall annually recommend to the College Student Life Advisory Committee the amount of that campus' Student Activity Fee for the ensuing year, the allocation of any revenues, policies and procedures for oversight of the Student Activity Fees budget and expenditures consistent with system and institutional policies and procedures (See MnSCU Policy 5.11 and procedures 5.11.1 and 2.8.1). Funding decisions shall be made in a viewpoint neutral manner.

The College President shall approve, reject, or modify the fee and/or budget and authorize the collection and expenditure of such fees. The individual campus Student Government Association/Student Senates shall be consulted on any modification to the budget and expenditure recommendation prior to implementation. Student Activity balances shall have carry-over authority into the next fiscal year. Budget reserves may be established for each individual campus and their status shall be annually reported to the College Student Life Advisory Committee.
