

MINNESOTA STATE COMMUNITY AND TECHNICAL COLLEGE

Policy Name: Transfer of Credit

Policy

To transfer credit from another institution to Minnesota State Community and Technical College, an official course transcript will be sent to the College registration associates at the M State Service Center. Students may be required to provide course descriptions from their previous colleges. M State reserves the right to evaluate courses based on content recency.

Transfer of “D” grades:

1. “D” grades will be accepted in transfer if the student’s overall Grade Point Average (GPA) from the sending college or university is 2.0 or higher.
2. Individual M State programs reserve the right to not accept “D” graded courses in fulfillment of program requirements.

Purpose

To enable students to transfer previous and applicable coursework into their college program.
