

M State List of Clubs/Activities	
STUDENT CLUB AND ORGANIZATION	DESCRIPTION
Athletics	The Fergus Falls campus has a strong tradition of exciting, successful athletic teams. The college is a member of the Minnesota College Athletic Conference and Region XIII of the National Junior College Athletic Association. Men's athletic teams represent the college in football, basketball, golf and baseball. Women's teams compete in softball, volleyball, golf and basketball. Athletic competition includes teams from Minnesota, South Dakota, North Dakota, Michigan and Wisconsin.
Architectural Technology Student Association (ATSA)	ATSA is comprised of students in the Architectural Technology program. The mission of the organization is to promote a greater understanding of architectural practice through construction and design tours. Members have the opportunity to work on actual design projects for individuals and/or organizations.
Auto Body Club	Auto Body Club is composed of students interested in auto body technology. This organization promotes camaraderie within the group and provides students the opportunity to develop professional skills.
Auto Tech Club	The Auto Tech Club is composed of students who have an interest in the automotive industry. The purpose of the club is to build camaraderie among the automotive students and to work together to organize fund-raising events. With the funds raised, an annual trip is taken to a location of the students' choice. The club strives to improve the Automotive Technology program by allocating funds for equipment and scholarships.
Business Division Club	The Business Division Club assists students through activities and business experiences that develop professional ideals, skills and friendships while inspiring an interest in community involvement.
Business Professionals of America	Business Professionals of America is a national career and technical organization that serves students enrolled in business programs. The mission of BPA is to contribute to the preparation of a world-class workforce through the advancement of leadership, citizenship, academic and technological skills. Members are involved in leadership, community service projects at the local level and competitions at the state and national levels.
Civil Engineering Club	Civil Engineering Club is composed of students who have an interest in the civil engineering field. The purpose of the club is to build camaraderie among civil engineering students and to work together to organize funds. Students are exposed to various civil engineering opportunities with the funds that are raised.
Cultural Activities Can Touch Us (CACTUS)	The CACTUS student organization is designed primarily to celebrate diversity on campus. All students are welcome to participate.
Campus Crusade for Christ (Ignite)	Campus Crusade for Christ provides regular opportunities to study and discuss the Bible, worship and pray, all in a group setting, which also provides opportunities for fellowship, encouragement and spiritual development among members.
Circle K (Volunteerism Club)	Circle K is an international collegiate service organization that

	promotes fellowship, leadership and volunteer service. M State's Circle K engages students in volunteer activities throughout the community while providing leadership and management training to members. Sponsored by the two local Kiwanis chapters, Noon Kiwanis and Otter Risers, Circle K members also have the opportunity to work side by side with community leaders and mentors in the Kiwanis family.
College Ambassadors	The Ambassadors organization represents and promotes M State. Students have the opportunity to develop and strengthen their leadership, communication, public relations and organizational skills.
Cosmetology Club	The mission of the Cosmetology Club is to encourage, develop and promote professionalism and leadership. The club is comprised of all students enrolled in cosmetology, manicure or esthetic programs. The club participates in events that encourage continuing education including hair conventions, training seminars and competitions locally and nationally. Students learn leadership skills and occupational experience by developing and participating in activities within the college and the community. Group activities better each student personally and professionally by improving social and occupational skills and providing motivation for students to continue service learning throughout their careers and lives.
Creative Minds Connection (CMC)	CMC is an art/humanities student organization open to all students at M State. This organization supports the creation and display of art on campus and in the community.
Criminal Justice Association	The Criminal Justice Association is primarily for those students who are interested in the criminal justice program.
Dental Assisting	The Dental Assisting Association is composed of students interested in dental assisting. This organization promotes the advancement of the careers of dental assistants and the dental assisting profession in matters of education and professional activities which enhance the delivery of quality dental health care to the public.
Diesel Club	Diesel Club is composed of students interested in diesel technology. This organization promotes camaraderie within the group and works to raise funds to take a bi-annual Diesel Club trip. The students work on projects in their field of study after class to gain knowledge and earn the needed money to pay for the trip.
F2CO	F2CO is a chemistry student group that promotes chemistry interest both in the student population of M State - Fergus Falls and the general public. The goals are to better understand the impact that chemistry has in our lives on a daily basis and on improving the environment.
Intramural Athletics	Each semester the College offers sports and activities such as baseball, football, basketball, bowling, softball, table tennis, darts, racquetball, volleyball and tennis, plus others as interest dictates.
Marine Club	Marine Club is composed of students who have an interest in the marine engine technology field. This organization serves students by offering opportunities for educational and professional enrichment.
Music Organizations	The Concert Choir, Voice Ensemble, Area Chorale and Jazz

	Ensemble provide excellent opportunities for participation in vocal and instrumental music. One semester credit is given to students enrolled in these group activities and in private vocal or instrumental lessons. Approximately 20 scholarships are awarded to participants in music groups each year.
Mu Alpha Theta	This international mathematical honor society is for students who have completed at least one mathematics course at or above the college algebra-precalculus level.
Native American Student Association (NASA)	This organization was formed to create a community among the Native American students at M State. The focus is on the Native American culture, and it works to enrich awareness of the contributions of indigenous people on our campus and in the surrounding community. NASA is open to all people of all races who want to learn more about the indigenous people of this land.
Nursing Club	Students currently enrolled in the Practical Nursing program are members. The organization promotes student activities, both professional and social, for its members.
Phi Theta Kappa (PTK)	Phi Theta Kappa is the national honor society for two-year colleges. The Fergus Falls chapter, Omicron (Tulice), was chartered in 1966. The Detroit Lakes chapter, Beta Pi Psi, was chartered in 2008.
Associate Degree Nursing Student Organization	Students currently enrolled in the Associate Degree Nursing program are members. This organization promotes student activities, both professional and social, for its members.
Practical Nursing Organization	Students currently enrolled in the Practical Nursing program are members. This organization promotes student activities, both professional and social, for its members.
Pride Alliance	Pride Alliance is a student organization created by lesbian, gay, bisexual and transgender (LGBT) students and their allies. The group serves as a source of information and a safe zone for all LGBT students and their allies. It promotes positive social and interactive experiences.
Radiology Club	Radiology Club is composed of students who have an interest in the radiologic technology field. This organization promotes the art and science of radiologic technology and represents the common interests of the members of the radiologic technology profession.
SkillsUSA	SkillsUSA is the official organization of vocational education. It is open to all students enrolled in education throughout the world and is intended to develop an appreciation for the world of work. Competition in SkillsUSA is on both state and national levels.
Student American Dental Hygienists' Association (SADHA)	SADHA is composed of students of the Dental Hygiene program. This organization promotes the art and science of dental hygiene, represents the common interests of the members of the dental hygiene profession and contributes toward the improvement of the oral health of the public.
Student Human Resources Organization (SHRO)	SHRO is a co-curricular organization designed to acquaint students considering a future in business within the field of human resource management and/or labor relations. Students increase their knowledge of new developments in the human resource field and develop leadership and content competencies through interaction with human resource professionals and participation in college and community events. SHRO is a chartered student organization with the Society for Human

	Resource Management. Students are able to join the Society for Human Resource Management as student members, allowing further development of their professional skills.
Student Government Association	The Student Government Association, formerly known as Student Senate, is the students' voice with the administration, faculty and the Minnesota State Colleges and Universities system, promoting the needs and concerns of the students and the College.
