

**MINNESOTA STATE COMMUNITY and TECHNICAL COLLEGE
Fergus Falls**

School Year Work Study Position

August through May

1. On-Campus Department: Fergus Falls Ceramics and Gallery
2. Supervisor: Lori Charest
3. Phone Number: 218-736-1653 (work) 218-205-4579 (Cell)
4. Location: Waage
5. Room Number: W631 and Legacy and Waage Galleries
6. Number of Hours per Week: Up to 10 hours
7. **Job Description and Qualifications:** The student would help with studio work like reclaiming clay, putting kiln wash on shelves, inventory of materials, etc. I would also like help with putting up art exhibit posters, installing exhibits and help with the art receptions if possible. The student would need to have some experience with clay as the clay needs to be the correct consistency when doing the reclaim process. I would teach them how to use the pug mill. The hours may fluctuate with the tasks at hand.
8. **Student Out Come:** The student will learn new processes and procedures. They also will get experience with art exhibits, (like arranging the artwork,

hanging the pieces and putting on a reception) that can go on their work experience resumes. They also will learn what goes into working with clay and the background work to make it useable.
