

LPN PRINCIPLES OF INTRAVENOUS THERAPY

September 27 - October 28, 2021
\$495.00

Prerequisite: Current LPN Licensure

This 34 hour course consists of 30 hours of theory online that must be completed by October 25 and a skills lab scheduled from 4:00 pm - 8:30 pm on October 27 or October 28 at MState Moorhead Campus, 1900 28th Ave. So., Room C110. The skills lab dates are filled on first-come, first-served basis.

The course builds on basic intravenous (IV) theory and skills with the role of the practical nurse in IV therapy is integrated throughout the course. Students have an opportunity to apply advanced intravenous therapy to practice as it relates to management of selected components, including the safe administration of intravenous fluids and medications. This course meets the requirements for the North Dakota Board of Nursing IV therapy rules and regulations for the Licensed Practical Nurse. ****Attendance at the skills lab is required to complete the class. Failure to attend the skills lab will result in additional fees and a delay in completion of the course. Scrubs are required when attending the skills lab.**

Students must purchase the required textbook: Gorski, L. (2018): *Phillips's Manual of I.V. Therapeutics: Evidence-Based Practice for Infusion Therapy* (7th Edition). Philadelphia, PA: F.A. Davis

If you have questions, contact Denice Brewer by email at denice.brewer@minnesota.edu or by phone at 218-299-6576.
