

ENGL Guided Self-Placement

Students without a high school GPA, whose high school GPA 10+ years, English Language Learners (ELL), or international students will meet with an academic advisor prior to registering for ENGL course(s).

**** All students please answer the following questions:**

1. What language did you learn to speak first?
2. Which language do you speak most often at home?
3. How many years of education (elementary through high school) were in the United States?

I should enroll in **ENGL 1101 College Writing** if most of the following statements describe me.

- I comfortably read and understand high school textbooks and other reading assigned by my high school teachers, as well as other popular publications.
- I have written high school papers of 4 or more pages and earned grades of C+ or higher.
- I can support and organize my ideas in writing.
- I have been able to revise rough drafts of essays as necessary to meet assignment expectations.

I should enroll in **ENGL 0097 English Strategies/ENGL 0098^ Accelerated English** if most of the following statements describe me.

- I have written high school papers of 2-3 pages and earned passing grades.
- I can read and understand high school textbooks, assigned readings or popular publications, even if I read slowly.
- I am familiar with supporting and organizing my ideas in writing, but want more practice using these skills.
- Sometimes I needed extra help in high school to complete reading and writing assignments, but for the most part I was able to work on my own.
- I would like a basic review and some extra support with reading skills, essay writing, and computer skills for college classes.

I should enroll in **ENGL 0091 English Foundations** if most of the following statements describe me.

- I have struggled to write high school papers of 2-3 pages.
- It's difficult for me to read high school textbooks or other assigned readings as well as popular publications.
- I often struggle to write sentences and paragraphs.
- I received additional support for reading and writing in high school (Examples: support classes, one-on-one instruction, extra time on assignments, shortened assignments, etc.)
- I would like in-depth instruction on reading skills, essay writing, and computer skills for college classes, including working with a tutor during class.

I should work with **Adult Basic Education (ABE)** if the following statements describe me.

- I'm not sure if college is a good fit for me, but I want to explore the possibilities.
- School at many levels has been a struggle for me, especially reading and writing.
- I would like more reading, writing, and computer skill instruction before entering college courses.
