

2021 FALL COMMENCEMENT

Congratulations
TO THE CLASS OF 2021

CONGRATULATIONS TO THE CLASS OF 2021

M State graduates, you did it! We are so proud of you and all you have overcome to achieve this success. As you continue to find successes in life, work and education, we look forward to being by your side, cheering you along every step of the way.

My sincerest congratulations to each one of you on this accomplishment. I am incredibly proud to be your president.

Dr. Carrie Brimhall

President, Minnesota State Community and Technical College

1997 M State Graduate

@PrezBrimhall

COLLEGE HISTORY

Minnesota State Community and Technical College was created July 1, 2003, with the merger of Fergus Falls Community College and three campuses of Northwest Technical College. The College was developed to better serve the needs of the communities in west central Minnesota and the Red River Valley through the combination of strong technical programs and comprehensive community college curriculum.

Each of the campuses has been meeting the educational and workforce needs of its community for a half century or more.

The Detroit Lakes, Moorhead and Wadena campuses were established when state leaders recognized the need to provide education and training to meet

workforce demands. The three campuses have experienced a series of name changes. Wadena was founded in 1959, Moorhead in 1965 and Detroit Lakes in 1966. True to the goal of meeting workforce needs, each campus has added and enhanced programs as demands have changed.

The Fergus Falls campus was established in 1960 thanks to the initiative of community leaders determined to create a community college where area students could complete the first two years of a four-year degree.

The College currently serves more than 8,000 students each year in on-campus courses and through online education, which provides students the option of taking individual courses or complete degree programs online.
