CLEARINGHOUSE

REGISTRATION: STUDENT DRIVERS

The instructions below are for a student driver who holds either a commercial driver's license (CDL) or commercial learner's permit (CLP) and is enrolled in a training program that is not affiliated with or operated by a motor carrier. If you are a student driver who is also an employee of a motor carrier, you must register as a driver. View the [CDL Driver Registration Job Aid](#) for step-by-step instructions.

Create a Login.gov Account

Accessing the Clearinghouse requires the creation of an account with login.gov, a shared service that offers secure online access to participating government systems, including the Clearinghouse. If you do not have a login.gov account, or would like to create a new one, you will need to follow the steps below.

During the login.gov registration process, after 15 minutes of inactivity, the current page will reset any information entered into data fields.

1

Visit <https://clearinghouse.fmcsa.dot.gov> and click **Register**.

The screenshot shows the FMCSA Drug & Alcohol Clearinghouse homepage. At the top, there is a navigation bar with the FMCSA logo and the text 'Federal Motor Carrier Safety Administration'. To the right of the logo are buttons for 'Register' and 'Log In'. Below the navigation bar is a dark blue header with the text 'DRUG & ALCOHOL CLEARINGHOUSE' and icons for 'My Profile', 'Learn', 'About', and 'Contact'. The main content area features a large image of a red semi-truck with the text 'Welcome to the Drug and Alcohol Clearinghouse'. Below this is a sub-header: 'An online database that gives employers and government agencies real-time access to information about CDL driver drug and alcohol program violations.' At the bottom of this section are two buttons: 'Register' (highlighted with a red box) and 'Log In'. To the right of these buttons is a text box: 'This online database helps keep roads safer for all drivers by identifying, in real time, drivers prohibited from performing safety-sensitive functions, such as operating a commercial motor vehicle (CMV), due to a drug and alcohol program violation.' Below the main content area is a section titled 'Before You Register' with a red octagonal icon containing a white hand. It includes the text 'Do you need help with registration? Identify your Clearinghouse user role and find out what you will need to complete your registration.' and a 'Read More' button. To the right of this section is a photo of three people in a truck cab and a list of features: 'Record', 'Consent', 'Query', and 'Safety', each with a green checkmark. At the bottom of the page is a 'Learn More' button.

Login.gov requires the completion of a user verification process to ensure the proper person is using those credentials. You will need to provide a way for login.gov to send you a one-time security code. Follow the instructions for the method you select.

Backup codes should not be used as the primary authentication method unless none of the above methods are available to you, as they can only be used a limited number of times.

7

Enter your security code and click **Submit**. This code will be provided via the method you selected in step 6. The screenshot below illustrates the SMS phone method.

The screenshot shows the 'STEP 3 OF 4' page for entering a security code. At the top, it displays the 'LOGIN.GOV' logo and the 'DRUG & ALCOHOL CLEARINGHOUSE' title. The main heading is 'Enter your security code'. Below this, it states: 'We sent a security code to +1 123-456-7890 This code will expire in 10 minutes.' A red box highlights the 'One-time security code' input field and the 'Submit' button. Below the input field, there is a 'Get another code' button with a refresh icon and a 'Remember this browser' checkbox. At the bottom, there are two links: 'Entered the wrong phone number? FMCSA IT Rules of Behavior

As a user of the Federal Motor Carrier Safety Administration (FMCSA) Drug and Alcohol Clearinghouse, I understand that I am personally responsible for the use and any misuse of my system account and password. I also understand that by accessing a U.S. Government information system, I must comply with the following requirements:

1. The Drug and Alcohol Clearinghouse is authorized for official use only.
2. The Drug and Alcohol Clearinghouse may not be used (i) for a purpose that violates any Federal law; (ii) for mass mailings of personal messages/statements; (iii) for commercial purposes, financial gain, or to support "for profit" non-Government activities; or (iv) to engage in any DOT or FMCSA-discrediting activities (e.g., gambling; viewing of adult content). "FMCSA-discrediting activities" also include seeking, transmitting, collecting, or storing defamatory, discriminatory, obscene, harassing, or intimidating messages or materials.
3. FMCSA reserves the right to monitor the activity of any machine connected to its infrastructure.
4. Drug and Alcohol Clearinghouse is the property of the Federal Government and FMCSA owns the data stored in this system.
5. Non-public information that was obtained via the Drug and Alcohol Clearinghouse may not be divulged outside of authorized channels without the express permission of the owner of that information.
6. Any activity that violates Federal laws for information protection (e.g., hacking, spamming) is prohibited.
7. Users must lock the computer if they are away from the desk and use a password-protected screensaver to automatically lock the computer.
8. Drug and Alcohol Clearinghouse accounts are linked to your login.gov profile solely for the use of the individual for whom they were created. 9. The Drug and Alcohol Clearinghouse uses login.gov to authenticate you. Login.gov has password format requirements and a password expiration policy that must be followed. Login.gov passwords do not expire because login.gov uses multi-factor authentication. Multi-factor authentication expires every 30 days. See <https://www.login.gov/help/changing-settings/turn-off-two-factor-authentication/> for more information.
10. Any security problems or password compromises must be reported immediately to the FMCSA Information System Security Manager at FMCSASecurity@dot.gov.

(e.g., DoB, SSN, and Driver's License).
16. Users of FMCSA IT systems using non-FMCSA furnished equipment to access FMCSA IT systems must install and maintain antivirus and anti-spyware tools on said equipment.
