

Medication Assistant II (*North Dakota Approved*)/ Medication Administration For Unlicensed Personnel (*Minnesota Approved*)

Minnesota State Community and Technical College Workforce Development Solutions will offer a “Medication Assistant II/Medication Administration for Unlicensed Personnel” course in **Moorhead** beginning May 10, 2022.

This course is designed to train personnel in various settings i.e., nursing homes, etc. who will be administering medications in Minnesota or North Dakota.

The 48-hour classroom/lab course meets Minnesota requirements for medication administration. This 48-hour course, plus an additional 32-hour clinical component (following the classroom portion), meets North Dakota requirements as a Medication Assistant II. Students must be sponsored by their employing North Dakota facility to participate in the clinical component.

Students may elect to take the 48 hour classroom/lab instruction only. The 32-hour clinical component could then be completed at a later date (within 6 months) after securing a sponsoring North Dakota facility through employment.

PREREQUISITE:

North Dakota

- ♦ **Current Certified Nurse Assistant registry status.**

Minnesota

- ♦ **Current Nursing Assistant registry status.**
- ♦ **Minnesota Department of Health Nursing Home Rules also state unlicensed nursing personnel who administer medications in a Minnesota nursing home must have completed a nursing assistant training program approved by the Minnesota Department of Health. (Proof of completion MUST be included with the registration form.)**
