WHY MENTAL HEALTH FIRST AID?

Mental Health First Aid teaches you how to identify, understand and respond to signs of mental illness and substance use disorders. This training gives you the skills to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to the appropriate care.

WHAT IT COVERS

- Common signs and symptoms of mental illness
- Common signs and symptoms of substance use
- How to interact with a person in crisis
- How to connect the person with help
- **NEW:** Expanded content on trauma, addiction and self-care

THE COURSE WILL TEACH YOU
HOW TO APPLY THE **ALGEE** ACTION PLAN:

- Assess for risk of suicide or harm
- Listen nonjudgmentally
- Give reassurance and information
- Encourage appropriate professional help
- Encourage self-help and other support strategies
