DENTAL HYGIENE APPLICATION ASSESSMENT

FALL 2023 DENTAL HYGIENE PROGRAM APPLICATION ASSESSMENT (TO BE COMPLETED BY THE DENTAL HYGIENE SELECTION COMMITTEE)

Applicants to the Dental Hygiene program will be assigned points for the courses listed below. The twenty (20) applicants who score the highest will be selected for admission to the Dental Hygiene program. To receive points for a course, applicants must have completed the course and received a grade before March 1 of the year that the student applied to the program. Applicants who are in the process of completing courses will not receive points for those courses. All repeated graded courses (A-F) will be averaged. All science courses must be completed within the last five (5) years to be eligible for points. You may apply before you have completed all of the prerequisite courses, but you will need to be registered for them during spring semester and must receive a "C" or better. Students must have completed the prerequisites prior to full acceptance into the Dental Hygiene program. In the case of one or more ties, the CHEM 1100 Fund. Concepts of Chemistry course grade will be used as a tie-breaker. If a tie continues, a public lottery will be the determinant.
