

LPN PRINCIPLES OF INTRAVENOUS THERAPY

August 28 - October 6, 2023
\$525.00

Prerequisite: Current LPN Licensure

This 34 hour course (30 hours of theory online that must be completed by 5:00 pm on October 3 and a skills lab from 10:00 am - 2:00 pm on October 6 at MState Moorhead Campus, 1900 28th Ave. So., Room C110) builds on basic intravenous (IV) theory and skills. The role of the practical nurse in IV therapy is integrated throughout the course. This course offers the students an opportunity to apply advanced intravenous therapy to practice as it relates to management of selected components, including the safe administration of intravenous fluids and medications. This course meets the requirements for the North Dakota Board of Nursing IV therapy rules and regulations for the Licensed Practical Nurse. ****Attendance at the skills lab on October 6 is required to complete the class. Failure to attend will result in additional fees and a delay in completion of the course. Scrubs are required when attending the skills lab.**

Students must purchase the required textbook: Gorski, L. (2018): *Phillips's Manual of I.V. Therapeutics: Evidence-Based Practice for Infusion Therapy* (7th Edition). Philadelphia, PA: F.A. Davis

If you have questions, contact Denice Brewer by email at denice.brewer@minnesota.edu or by phone at 218-299-6576.

Class policies:

Class cancellations: M State reserves the right to cancel classes due to lack of enrollment. Registration and associated fees will be refunded.

Refund request: Must be done at least three business days prior to the start of class in order to receive full refund.

Incomplete coursework/lab: Refunds will not be issued to anyone who does not complete the class without prior notification.
