BREAK OUT SESSION DESCRIPTIONS

CEP Mission Statement Planning (Legacy Hall)

We are “all IN” at M State and we want your Input to develop a mission statement for the Concurrent Enrollment Program. It is strongly encouraged that everyone attend one of these interactive afternoon break out sessions. Be prepared to get up, move around and brainstorm with colleagues on what M State’s CEP means to students and you!

Session Leader: Dana Haagenson, M State Faculty and WDS Leadership and Team Facilitator, dana.haagenson@minnesota.edu

Turnitin & GradeMark (S 450)

This session will cover creating a class on the Turnitin.com website as well as using Turnitin.com features, especially the similarity report, to help teach students about plagiarism. In addition, we will review how to use GradeMark tools for commenting on student work.

Session Leader: Rachel Cox, M State English Instructor and CTLT Member, rachel.cox@minnesota.edu

D2L 101 (C 330)

Bring your laptop and StarID log in and password for this hands-on introduction to the Desire to Learn Brightspace (D2L) Learning Management System (LMS). In this session, you will learn about what each course shell offers, explore the navigation bars, tour an example of how one instructor uses the LMS, and begin to learn how to use the tools, e.g., access your class list, create assignment folders, create announcements, and set up grades.

Session Leader: Crystal Jensen, M State English Instructor and CTLT Member, crystal.jensen@minnesota.edu

Reading Tips for Challenging Reads (S 404)

Join Teresa for this session, which will cover specific reading strategies for tackling challenging reads, i.e., reading above a student’s reading level: articles, essays, novels, and texts.

Session Leader: Teresa Beacom, M State English Instructor and CTLT Member, teresa.beacom@minnesota.edu

Counselor Roundtable (S 436)

Updates and information on financial aid, Pell Grants, scholarships, career choice services, college students’ mental health and other needs, and more. Time will also be allotted for group discussion and Q&A.

Session Leaders: Melissa Jaskowski, M State Financial Aid Director, melissa.jaskowski@minnesota.edu;

Kayla Simon, M State College Social Worker, kayla.simon@minnesota.edu; Tom Dubbels, M State Counselor, tom.dubbels@minnesota.edu

Biology Inquiry Lab Rewrite (S 431)

Biology instructors are invited to attend this session and use it as work time to rewrite a lab to be more experimental design/inquiry based.

Session Leader: Jessica Daniels, M State Biology Instructor, jessica.daniels@minnesota.edu

Math Round Table (S 446)

The mathematics roundtable will be a time in which instructors will provide some feedback related to a specific prompt.

Session Leader: Don Drummond, M State Math Instructor, don.drummond@minnesota.edu

eTutoring for Writing (S 404)

M State’s eTutor for writing, Jennifer Aranda, will provide you with an overview of the this tutoring service, and provide you with instructions for utilizing this student support in your courses. In addition, Jennifer will gather feedback from you about how she could best serve you and your students.

Session Leader: Jennifer Aranda, M State Online Writing Tutor, jennifer.aranda@minnesota.edu

M State’s New University Centers (S 436)

Learn how your students can earn a bachelor’s degree and not have to ever leave M State to do it! Our Fergus Falls and Wadena campuses are partnering with Minnesota State University, Moorhead and St. Cloud State University to bring bachelor degree programs right here to M State. Learn more about these partnerships and the programs we will offer.

Session Leaders: Dr. Matthew Borcharding, M State Dean of Liberal Arts and Sciences, matthew.borcharding@minnesota.edu;

Laura Paczkowski, Academic Advisor, laura.paczowski@minnesota.edu

Spanish Roundtable (C 331)

This session is for Spanish instructors to dive deeper into discipline-specific topics and resource sharing.
